

HORIZON2020 SMART CITIES AND COMMUNITIES NETWORKING EVENT

Odakule Meclis Hall, Istanbul, 5 December 2014

A networking event in the field of **Smart Cities and Communities** will be organized by TÜBİTAK (The Scientific and Research Council of Turkey) in collaboration with Sabancı University and Istanbul Chamber of Commerce with the participation of national and international participants in order to share project ideas and initiating new projects mainly targeting **Horizon 2020** and **ERANET Cofund calls**. Project ideas targeting **HORIZON2020 Energy Efficient Buildings in Energy and NMP workprogrammes** will be welcomed as well.

The event will be held at **Istanbul Chamber of Industry Odakule** on **December 5th, 2014**. Organization is funded in the scope of TUBITAK “**TEYDEB 1503 Project Events Support Programme**” and flight tickets of up to 30 participants (with project ideas) will be supported under the TEYDEB 1503 Programme. Participants that are willing to have support for flight tickets should provide a presentation consisting of items given below before **20th November 2014**. The support will be provided on the first come, first served basis and quality of the project ideas.

- Project Idea
- Targeted call
- Past experience (previous projects etc.)
- Partners sought

In the morning session, participants will present their project ideas with 15 min. presentations. In the afternoon session 20 min. bilateral meetings will be organized in order to find partners and networking for the project ideas.

Agenda

08:30-09:00 Registration

09:00-09:20 Opening Ceremony and General Overview of HORIZON2020 Smart Cities Calls and Smart Cities and Communities ERANET Cofund Action

09:20-10:30 Project Proposal Presentations

10:30-11:00 Coffee Break and Poster Presentations

11:00-12:30 Project Proposal Presentations (cont.)
